

DESCRIPTION

Ohara produces glass in various forms, shapes and sizes for Decorative and Artistic use. We supply decorative glass in strip, rod, block and pristine "chunk" forms. One of our specialties is a bubble containing glass which is magnificent when back lit. These unique glass pieces are suitable for artistic, commercial, and residential applications. We would be pleased to quote on your specific requirements.

We have many other interesting glass shapes available.
Please contact us to discuss your specific requirements.
